

Dear Parents and Carers

Head of School

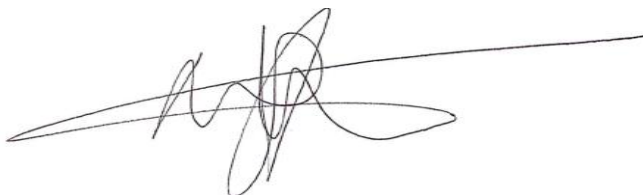

Further to my 'start of term' letter where I confirmed staffing changes and promotions, I am very pleased to confirm that Mrs Parker has also been promoted and that she is now Head of School.

As many of you will know and recognise, Mrs Parker has been instrumental in the establishment and development of Ixworth since her time with us and is respected by staff and students alike. As Head of School she will continue to lead our School on a day-to-day basis, and in many ways, it will be 'business as usual'. Students will continue to see Mrs Parker leading assemblies and working with them in a variety of ways from PSHE and pastoral matters to Careers Advice and Guidance and the lunchtime study room.

There are no changes to my role and Mrs Parker and I will continue to work closely together. Students will still see me in lessons and around the School and I will continue to lead our work on teaching and learning and curriculum development.

Finally, I look forward to meeting many of you again this week at either the Friends AGM on Tuesday (6.30 pm) or the GCSE Success Evening on Thursday (6pm).

Yours sincerely

Mr M Barrow
Headteacher
