1. Purpose of the policy

Our school's statutory induction processes have been developed to ensure our ECTs feel supported and challenged, both professionally and personally, and to enable them to have a positive impact on outcomes for our pupils/students. Statutory induction for ECTs supplements the school's induction process for all new staff and ensures the ECT is provided with appropriate guidance, support, training, development opportunities, monitoring and assessment through a structured but flexible individual programme.

Our induction processes will:

- support each ECT to demonstrate they can meet all the Teachers' Standards, 'consistently over a sustained period'; statutory guidance, paragraph 1.8 and successfully complete their statutory induction period;
- ensure each ECT receives their statutory entitlements: trained induction tutor and dedicated ECF mentor with QTS; a reduced timetable for professional development (in addition to PPA time), observation of experienced teachers; have no unreasonable demands made of them; a pre-planned induction programme; a support plan when necessary; an ECF-based induction programme; formal observation of teaching at least each half-term with verbal and written feedback; regular meetings with the induction tutor and half-termly reviews of progress; fair and rigorous assessment against all of the Teachers' Standards; two formal assessment meetings and reports, and a named contact at the Appropriate Body for Suffolk Appropriate Body this is Emma Hepburn EL.ECTenquiries@suffolk.gov.uk);
- ensure each ECT accesses an ECF-based induction programme with dedicated support from their mentor;
- provide appropriate support, advice and guidance to each ECT based on individual talents and needs including lesson observations each half-term;
- provide examples of good practice and facilitate each ECT observing effective teaching based on their development needs;
- support ECTs to develop positive relationships with all members of the school community for the enhancement of pupil outcomes;
- encourage ECTs to become reflective practitioners, supported by ECF resources and personnel to aid personal development;
- acknowledge success and celebrate good practice;

- provide opportunities for professional development beyond the ECF if required;
- support an understanding of the full role and responsibilities of a teacher.

This policy is underpinned by a whole school commitment to support teachers new to the profession to develop their skills, pedagogy, and practice.

3. Early Career Framework

From 1 September 2021 headteachers/principals are expected to ensure ECTs receive an ECF-based training programme that is embedded into induction practices in the school.

The Full Induction Programme Provider is:

- Ambition Institute with Inspiration Teaching School Hub/Unity Teaching School

4. Monitoring, assessment and reporting

The Induction Tutor and ECT will undertake a professional review of practice by half-term in October 2022, February 2023 and June 2023. These will support ECT and induction tutor to gather evidence related to the Teachers' Standards and will be used to write formal reports. These will be uploaded to ECT Manager.

Progress reviews will be completed via ECT Manager by 17 December 2022 and 1 April 2023 for all ECTs.

For information only rather than inclusion in the policy: for part time ECTs statutory guidance suggests that progress reviews are completed at the end of each term there is not a formal assessment, rather than on a pro-rata basis.

The first formal report will be completed by 14 July 2023 for full time ECTs.
